

Frank M. Scalzo, Ph.D.

Curriculum Vitae (updated September 5, 2016)

Psychology Program	845.758.7222 (office)
Preston Hall 101	845.758.2339 (secretary office fax)
50 Sands Road	email: scalzo@bard.edu
Bard College	518.784.2328 (home)
Annandale-on-Hudson, NY 12504-5000	Birthplace: Albany, New York

EDUCATION

- Ph.D. 1985 Psychology, State Univ. of New York at Binghamton (Binghamton University)
Major: Psychopharmacology; Minors: Quantitative Methods in Psychology;
Chemical Principles and Behavior
Dissertation: Locus Coeruleus Lesions in 3 Day-Old Rat Pups: Effects on Age-Specific Behaviors and Associative Ability, advisor: Linda P. Spear
- M.A. 1982 Psychology, State Univ. of New York at Binghamton (Binghamton University)
Thesis: Functional Ontogeny of Dopamine Autoreceptors, advisor: Linda P. Spear
- B.S. 1980 Biology; St. Bonaventure University, Olean, New York, Minor: Psychology
1978 McGill University, Montreal (visiting summer student)

PROFESSIONAL EXPERIENCE

- 2000-present Associate Professor, Psychology Program, Bard College, Annandale-on-Hudson, New York (tenured in 2003)
- 2014-present Health Professions Advisor, Bard College, Annandale-on-Hudson, New York
- 2003-2013 Director, Psychology Program, Bard College, Annandale-on-Hudson, New York
- 2011 Visiting Scientist (sabbatical 9/1/2011–12/31/2011), Division of Neurotoxicology, National Center for Toxicological Research and the U.S. Food and Drug Administration, Jefferson, Arkansas
- 2005-2006 Visiting Professor (sabbatical 1/05-5/05), Department of Biological Sciences (Patrick Page-McCaw Laboratory), Rensselaer Polytechnic Institute, Rensselaer, New York
- 1999-2000 Visiting Associate Professor, Psychology Program, Bard College, Annandale-on-Hudson, New York
- 1995-2000 Associate Professor (tenured), Departments of Pediatrics, and Pharmacology and Toxicology, University of Arkansas for Medical Sciences (UAMS) at Arkansas Children's Hospital Research Institute, Little Rock, Arkansas
- 1995-2000 Associate Professor, Graduate School, University of Arkansas for Medical Sciences, Little Rock, Arkansas

- 1995-1996 Fulbright Scholar and Visiting Professor, Department of Pharmacy, University of Ljubljana, Ljubljana, Slovenia
- 1994-2000 Lecturer, Department of Psychology, University of Arkansas at Little Rock (UALR), Little Rock, Arkansas
- 1994-1995 Assistant Professor, Graduate School, University of Arkansas for Medical Sciences, Little Rock, Arkansas
- 1993-1995 Joint Faculty Appointment, Assistant Professor, Department of Pharmacology and Toxicology, University of Arkansas for Medical Sciences, Little Rock, Arkansas
- 1992-1995 Assistant Professor, Pediatric Research, University of Arkansas for Medical Sciences at Arkansas Children's Hospital Research Institute, Little Rock, Arkansas
- 1990-1997 Guest Scientist, Division of Reproductive and Developmental Toxicology, The National Center for Toxicological Research (NCTR), Jefferson, Arkansas
- 1990-1992 Assistant Professor, Department of Pediatrics, University of Arkansas for Medical Sciences, Little Rock, Arkansas
- 1989-1990 Research Assistant Professor, Department of Pediatrics, University of Arkansas for Medical Sciences, Little Rock, Arkansas
- 1987-1990 Postdoctoral Fellow, U.S. Food & Drug Administration, Division of Reproductive and Developmental Toxicology, The National Center for Toxicological Research and Oak Ridge Associated Universities, Jefferson, Arkansas
- 1985-1987 Postdoctoral Fellow, Department of Developmental Psychobiology, New York State Psychiatric Institute and Department of Psychiatry, College of Physicians and Surgeons of Columbia University, New York, New York
- 1984-1985 Graduate Student Research Assistant, Department of Psychology, State University of New York at Binghamton (Binghamton University), Binghamton, New York
- 1980-1984 Graduate Student Teaching Assistant, Department of Psychology, State University of New York at Binghamton (Binghamton University), Binghamton, New York

AWARDS AND HONORS

- 2013-2015 Council Member, Neurobehavioral Teratology Society
- 2004 President, Neurobehavioral Teratology Society
- 2002, 2006 Bard College Faculty Research Award
- 2001 Bard College Technology Research Award
- 1997 President, Arkansas Chapter of the Society for Neuroscience
- 1996-1997 Council, Neurobehavioral Teratology Society
- 1995-1996 Fulbright Scholar - Lecturing/Research in Psychopharmacology - Slovenia
- 1995 Early Promotion and Tenure, Department of Pediatrics, University of Arkansas
- 1993 MCPG/CUMG Physician's Research Award
- 1992 National Academy of Sciences, East European Exchange Program, Slovenia

1991	National Academy of Sciences and Society for Neuroscience Travel Award to the Third International Brain Research Organization (IBRO) meeting
1991	College on Problems of Drug Dependence Travel Award
1991	Univ. of Arkansas for Medical Sciences Medical Research Endowment Fund Award
1990	International Society for Developmental Psychobiology Travel Award
1990	Neurobehavioral Teratology Society Travel Award
1990-1995	FIRST Independent Research Award, National Institute on Drug Abuse
1987-1990	Postdoctoral Fellowship, Oak Ridge Associated Universities and the National Center for Toxicological Research
1985-1987	National Research Service Award, National Institute of Mental Health
1980	St. Bonaventure University, Graduation with Honors, Cum Laude

GRANT FUNDING (Extramural)

1. National Science Foundation Workshop Participant and Implementer on CCLI Level II Dissemination Project #0311117. Consider, read, elucidate hypotheses, analyze and interpret the data, and think of the next experiment (CREATE). S.G. Hoskins and L.M. Steven (Co-PIs), 8/1/07 – 6/30/08, \$5,000.
2. National Institute on Drug Abuse (NIDA) Training Grant #T32-DA07260, “Interdisciplinary Drug-Abuse Training for Health Sciences,” D. E. McMillan (Principal Investigator), 7/15/94 - 6/30/99, \$470,961 (direct costs), **F.M. Scalzo (Co-Investigator)**.
3. NIDA Grant #1-R01-DA-08240-01A1, "Neonatal PCP Exposure: Residual Operant & Motor Effects" **F.M. Scalzo (PI)**, 2/15/94-1/31/98 (includes 1 yr no cost extension), \$316,901 (direct costs).
4. NIDA grant #1-R29-DA06319-01A1 (FIRST Award), “Cocaine & PCP – Neonatal Cardiovascular/Behavioral Effects,” **F.M. Scalzo (PI)**, 7/1/90-7/31/96 (includes 1 yr no cost extension), \$349,736 (direct costs).
5. J.W. Fulbright Scholarship Program and Council for International Exchange of Scholars, "Lecturing/Research in Psychopharmacology (Slovenia)," **F.M. Scalzo (PI)**, 10/1/95-1/31/96.
6. NIDA Grant #1-R01-DA07948-01, "Neuroendocrine Control & Sex Steroid Metabolism," T.M. Badger (PI), 7/1/92-6/30/95, \$432,828 (direct costs), **F.M. Scalzo (collaborator)**.
7. American Heart Association, Arkansas Affiliate, Inc. "Mechanisms of Cardiovascular Responses to Feeding in Newborns," **F.M. Scalzo (PI)**, 8/1/93-7/31/95, \$52,384 (direct costs).
8. March of Dimes Birth Defects Foundation, Grant #4-FY93-1032, Neurobehavioral Teratology Society Annual Meeting, 1993, \$1,500.
9. NIDA Grant #DA-06319 (supplement), Research Supplement for Minority Undergraduate Students, **F.M. Scalzo (PI)**, 1/15/92, \$8,000.
10. National Academy of Sciences, Soviet and East European Exchange Program (Slovenia) "Pharmacokinetic Modeling in Piglets", **F.M. Scalzo (PI)**, 9/1/91, \$7,000.

11. NIDA Grant #1-R13-DA05908-01, "Conference on Methods in Behavioral Toxicology and Teratology", L.G. Cockerham (PI), NCTR Associated Universities, 1988, \$20,000, **F.M. Scalzo (Co-Investigator)**.

GRANT FUNDING (Intramural)

1. Effects of NMDA Antagonists on Structural and Functional Development in Zebrafish. Protocol: C-11051, Division of Neurotoxicology, The National Center for Toxicological Research (NCTR). J. Kanungo (PI), **F.M. Scalzo (Co-I)**, S. Ferguson (Co-I), 2011-2012.
2. Bard Summer Research Institute, Matthew Boisvert, 2009.
3. Expansion of Behavioral Observation Capabilities in Zebrafish: Motion Tracking, Startle Responding and Stress Responsiveness in Larval Zebrafish Bard College Research Fund Award, **F.M. Scalzo, PI**, 2006-2007 (\$3,000).
4. Development of a Zebra Fish (*Danio rerio*) model for Neurobehavioral Teratology. Bard College Research Fund Award, **F.M. Scalzo, PI**, 2002-2003 (\$13,655).
5. Summer Student Research Award, Bard College, 2001, Triona Hart
6. Technology Innovation Grant, Bard College, 2000, Kate Mullen (PI); **F.M. Scalzo, Co-I**.
7. Classroom and Technology Development, Bard College, 2000, **F.M. Scalzo, PI**.
8. Medical Student Summer Research Honors Program, 1997, UAMS Department of Pediatrics, \$1,900, **F.M. Scalzo, (PI)**.
9. Medical Student Summer Research Honors Program, 1996, UAMS Department of Pediatrics, \$1,900, **F.M. Scalzo, (PI)**.
10. Medical Student Summer Research Honors Program, 1995, UAMS Department of Pediatrics, \$1,900, **F.M. Scalzo, (PI)**.
11. University of Arkansas for Medical Sciences, MCPG/CUMG Research Development Fund, "Ontogeny of Reinforcing Effects of Cocaine and Phencyclidine", **F.M. Scalzo, (PI)**, \$18,430, 8/1/93-7/31/94.
12. University of Arkansas for Medical Sciences Medical Research Endowment Fund Grant "Continuous Blood Pressure, Heart Rate and Activity Measurements in Unrestrained Piglets Using Telemetry", **F.M. Scalzo (PI)**, \$7,124, 1/1/91.
13. Experiment 6568, National Center for Toxicological Research (NCTR) - Developmental neurotoxicity of methylenedioxy-methamphetamine (MDMA), V.E.V. St. Omer, PI; **F.M. Scalzo, collaborator**, 1988.

14. Experiment 525, NCTR - Aging and dietary effects on D1 and D2 dopamine receptor binding in the B6C3F1 mouse (**F.M. Scalzo, PI**), 1988.
15. Experiment 6546, NCTR - Cardiovascular response to feeding in the piglet (R. Warren, PI; **F.M. Scalzo, co-investigator**), 1988.
16. Experiment 6536, NCTR - Cardiovascular responses to feeding as a biomarker for cardiovascular and nervous system toxicity in the developing rat (**F.M. Scalzo, PI**), 1988.
17. Experiment 6369, NCTR - Dopamine systems in the brain: The neurochemical and behavioral effects of developmental exposure to agonists or antagonists (R.R. Holson, PI; **F.M. Scalzo, co-investigator**), 1986.

GRANT APPLICATIONS UNDER REVIEW

1. J.W. Fulbright Scholarship Program and Council for International Exchange of Scholars, "Improving Pharmacy Education by Enhancing a Psychotropic Drugs Course and Modeling the Effects of Nicotine on Exploratory behavior in Larval Zebrafish (Slovenia)," **F.M. Scalzo (PI)**, 2/1/2016-7/1/2018 (submitted 8/2016).

GRANT APPLICATIONS NOT FUNDED (since at Bard College)

1. Neurobehavioral Toxicology in Zebrafish, Bard College Faculty Research Grant, 2008.
2. Neuroscience and the Humanities, J.S. Guggenheim Foundation, 2002.

TEACHING RESPONSIBILITIES

Chronology of Teaching Experience

- | | |
|--------------|---|
| 2000-present | Associate Professor, Psychology Program, Bard College, Annandale-on-Hudson, New York. |
| 2001-2002 | Faculty, Bard High School Early College (BHSEC), Introduction to Neuroscience |
| 1999-2000 | Visiting Associate Professor, Psychology Program, Bard College, Annandale-on-Hudson, New York |
| 1994-2000 | Lecturer, Department of Psychology, Univ. of Arkansas at Little Rock (UALR) Drugs and Behavior (Course Co-Director) |
| 1993-2000 | Lecturer, Department of Pharmacology and Toxicology, UAMS |
| 1990-2000 | Lecturer, Department of Pediatrics, UAMS |

- Fall 1995 Fulbright Scholar and Visiting Professor, Faculty of Pharmacy, University of Ljubljana, Ljubljana, Slovenia. Toxicological Chemistry (Course Director)
- 1986-1987 Instructor, Columbia University, Science Honors Program for Advanced High School Students. Developmental Psychobiology (Course Director)
- Spring 1985 Adjunct Lecturer, State University of New York at Binghamton
Drugs and Behavior (Course Director)
- Summer 1983 Instructor, State University of New York at Binghamton
Statistical Analysis and Design (Course Director)
- Summer 1982 Instructor, State University of New York at Binghamton
Drugs and Behavior (Course Director)
- Summer 1981 Instructor, State University of New York at Binghamton
Introduction to Psychology (Course Director)
- 1980-1984 Teaching Assistant, State University of New York at Binghamton
Physiological Psych., Stat. Analysis and Design, Introduction to Psychology

*Course Offerings and Enrollments at Bard College (note: 5 course per year teaching load from Fall 1999-Spring 2014; 4 course per year teaching load from Fall 2014-present due to a course-release for Health Professions Advisor duties; new course preps are **in bold**)*

Fall 1999 (enrollment)

Student Research Supervision (includes students conducting independent research, senior project work () and taking advanced research methodology classes)*

- 2016 (Fall) Molly Bremner*, Veronika Kokorina*, Matthea Rile-Schmidt*, Kaitlyn Mock*, R.J. Konefal, B.K. Xue, Samantha Klein, Matthea Rile-Schmidt
- 2016 (Spring) Sabbatical
- 2015 (Fall) Sally Cole*, Alexandra Batzdorf*, Danielle Iserlis*, Zachary Goodman*
- 2015 (Spring) Sonya Avsyuk*, Brandon Chen*, Colleen Spratt*, Emily-Steiker Epstein*
- 2014 (Fall) Caitlyn Majewski*, Sonya Avsyuk*, Brandon Chen*, Colleen Spratt*, Emily-Steiker Epstein*
- 2014 (Spring) Benjamin Greenwald*, Alison Kidd*, Tatiana-Ruth Leibman*, Max Mueller*, Sarah Walser*, Mythili Ananthasayan, Silas Busch, Brandon Chen, Lilly Moll, Siira Rieschl, Colleen Spratt, Andrea Szegegy-Maszak, Griffin Van Horne
- 2013 (Fall) Benjamin Greenwald*, Alison Kidd*, Tatiana-Ruth Leibman*, Max Mueller*, Sarah Walser*, Sonya Avsyuk, Mythili Ananthasayan, Silas Busch, Brandon Chen, Colleen Spratt, Andrea Szegegy-Maszak, Lindsay Bystroff
- 2013 (Spring) Adedayo Okubadejo*, Gregory Rudensky*, Alexandra Vance*, Dennis Zhou*, Mythili Ananthasayan, Lindsay Bystroff, Eliana Miller, Steven Reiman, Yash-Victoria Singh, Colleen Spratt, Sophia Sutcleff
- 2012 (Fall) Adedayo Okubadejo*, Gregory Rudensky*, Alexandra Vance*, Dennis Zhou*, Andrew Campoli, Brandon Chen, Wenjie Chen, Tatiana-Ruth Leibman, Max Muller, Hannah Rosenblum, Megan Smillie, Tanya Sorenson
- 2012 (Spring) Emily Walsh*, Helen Wicks*, Sara Abramowitz*, Amanda Kaufman*, Adam Lamotte*, William Vitale*, Anna Amelyanchik, Nona Bar-Gora, Eamon Goodman, Gladys Kanodereka, Carlos Ramos, Katherine Sanborn
- 2011 (Fall) Sabbatical
- 2011 (Spring) Christina Wright*, Zoe Azulay, Dori Blank, Shellie Ann Dick, Diandra Kalish, Jasper Williams
- 2010 (Fall) Christina Wright*, Shellie Ann Dick, Lily Dobberteen, Lauren Harris, Sam Shapiro, Weiqing Wang
- 2010 (Spring) Rita Halpert*, Senia Hardwick*, Emilijana Ulaj*, Adrita Rahman (biology)*, Matthew Boisvert, Robert Kittler, Reagan Mitchell, Demetrious Papademetrious, Jessica Philpott, Elon Ullman, Regina Vaicekonyte, Sarah Ysabel Yates
- 2009 (Fall) Rita Halpert*, Senia Hardwick*, Emilijana Ulaj*, Adrita Rahman (biology)*, Matthew Boisvert, Gabe Fine, Jessica Philpot
- 2009 (Spring) Rebecca English*, Vivianne Greenwood*, Philomena Hlinna Mazza-Hilway*,

- Matthew Boisvert, Nick Chan, Gabe Fine, Maka Geller, Abhimanyu Sheshashayee
- 2008 (Fall) Rebecca English*, Vivianne Greenwood*, Philomena Hlinna Mazza-Hilway*, Olga Opojevici*, Lydia Bedford, Ioana Botea, Tiffany Gaither, Senia Hardwick, Adam Pogash, Reem Shamsuddoha
- 2008 (Spring) Sam Light*, Leigh Rich*, Anna Gitlin, May Gordon, Senia Hardwick, Anna Katsman, Rachel Steinhorn, Vi Truong
- 2007 (Fall) Sam Light*, Leigh Rich*, James Alexandris, Chris Chaloux, Anna Gitlin, Emma Hammond-Thoras, Senia Hardwick, Anna Katsman
- 2007 (Spring) A. Melissa Hardy*, Stacy Manor*, Michelle Moses-Eisenstein*, Lauren Stutzbach*, Sam Light, Youngeun Choi, Rebecca English, Vivianne Greenwood, Senia Hardwick, Paul Jordan, Sarah Lichenstein
- 2006 (Fall) A. Melissa Hardy*, Lauren Stutzbach*, Youngeun Choi, Viktoryia Bulat, Rita Halpert, Noah McKenna, Aden Rivera-Dundas, Charlotte Wang, Jie Zhang
- 2006 (Spring) Tim Donovan*, Alyssa Evans*, Jennifer Korthis*, Amanda Allen, Robin Brehm, Viktoryia Bulat, Youngeun Choi, Nevada Griffin, A. Melissa Hardy, Phoebe Katzenbach, Andrew Kemp, Olga Opojevici, Leigh Rich, Lucy Smith
- 2005 (Fall) Amanda Allen, Owen Conlow, Melissa Hardy, Noah McKenna, Andrew Kemp, Alyssa Evans*, Vanessa Cole*
- 2005 (Spring; FMS on sabbatical) Alyssa Evans*, Brian Jacobs*
- 2004 (Fall) Ruth Barrett, Tim Donovan, Kathlen Eason, Alyssa Evans, Anna Finley, Haley Fraser, Jennifer Fung, Melissa Hardy, Corinne Hoener, Stacy Manor, Lauren Pessin, Prakash Thapa, Brian Jacobs*, Nicholas van der Kolk*
- 2004 (Spring) Ruth Barrett, Emily Diaz, Tim Donovan, Mariana Giusti, Tatiana Gurbich, Corinne Hoener, Brian Jacobs*, Peter Milano, Nick van der Kolk*, Vanessa Cole*, Anna Sapozhnikova*
- 2003 (Fall) Tim Donovan, Tenzin Tekan, Andrew Lyman-Clarke, Peter Milano, Peter Rowland, Nick van der Kolk, Anna Sapozhnikova*
- 2003 (Spring) Geoffrey Allott*, Anna Sapoznikova, Betina Hajagos, Amanda Baker, Benjamin King*, Christopher Sigstad*
- 2002 (Fall) Ben King*, Geoffrey Allott*, Anna Sapoznikova, Chris Sigstad*, Kristina Alden, Betina Hajagos, Kimberly Villiers
- 2002 (Spring) Ben King, Geoffrey Allott, Anna Sapoznikova, Chris Sigstad, Triona Hart*, Michal Marszal, Keelin Roche, Lauren Fisher*, Erika Cedergren*
- 2001 (Fall) Caroline Belin, Ben King, Daria Solovieve, Geoffrey Allott, Anna Sapoznikova, Chris Sigstad, Triona Hart*, Michal Marszal, Alexis Toriello, Charlotte Gibbs*, Lauren Atlas*, Charlotte Bracht*, Lauren Fisher* Erika Cedergren*
- 2001 Bard College Summer Independent Study – Triona Hart
- 2000 (Spring) Lauren Willis* (biology)
- 1999 Bard College Independent Study – Shonali Choudhury
- 1998 UAMS Medical Student Honors Program - Cheryl Holland
UALR Independent Study - Cheryl Hurt, Stephanie Enzer
- 1997 UAMS Medical Student Honors Program - Cheryl Holland
UALR Independent Study - Jennifer Prather
UAMS Summer Student Work/Study Program - Jennifer Prather
- 1996 UALR Independent Study - Jan Alexander, Pat Capps
UAMS Summer Student Work/Study Program - Kimberly Smitherman
- 1995 UALR Independent Study - Jason Jordan, Debbie Simon, Jesse Gray
UAMS Summer Student Work/Study Program - Schuyler Jones, Vaishali Vyas
UAMS/NIH Apprenticeship Program for Minority Students - Reesa Robinson
- 1994 UAMS/NIH Apprenticeship Program for Minority Students - Jimmy Conklin
EPSCOR Summer Research Program for College Students - Kriscia Padilla
- 1993 UAMS/NIH Apprenticeship for Minority Students - Sonja Martin, Chassity Woodruff

- UAMS Summer Medical Student Work/Study Program - Brad Jenkins
 1992 UAMS/NIH Apprenticeship Program for Minority Students - Sonja Martin
 1991 NIDA Minority Research Supplement - Roslyn Middleton
 UAMS/NIH Apprenticeship Program for Minority Students - Alvin Terry, III

EVIDENCE OF PROFESSIONAL RECOGNITION

Editorial Board Assignments

Editorial Board - Neurotoxicology and Teratology, 1996-98; 2011-2013
 Guest Editor - Neurotoxicology and Teratology, Special Issue "Methods in Behavioral Toxicology and Teratology", vol. 12 (5), September/October 1990.

Ad Hoc Reviewer

Professional Memberships

Hudson/Berkshire Chapter of the Society for Neuroscience (2012 – present)
 Society for Neuroscience (1984 – present)
 Developmental Neurotoxicology Society (1983 – present)
 (formerly known as the Neurobehavioral Teratology Society)
 Faculty for Undergraduate Neuroscience (2003-2005)
 N.E.U.R.O.N. - NorthEast Undergraduate Research on Neuroscience (2001-2004)
 International Society for Developmental Psychobiology (1983-1999)

Noteworthy Presentations (39 Invited Presentations)

The use of nicotine as a stimulant in characterizing the exploratory behavior of larval zebrafish in a complex environment. Department of Pharmacy, University of Ljubljana, Ljubljana, Slovenia (May 7, 2016).

The effects of nicotine on larval zebrafish exploratory behavior in a complex environment. Institute for Circadian Clocks, Soochow University, Soochow, China (April 4, 2016).

The effects of nicotine on larval zebrafish cognitive and motor function. Department of Psychology, Soochow University, Soochow, China (March 30, 2016).

Do NMDA Antagonists Cause Malformations in Developing Zebrafish? Presented in a symposium titled “Zebrafish Models for Neurobehavioral Teratology: Opportunities and Challenges” at the Neurobehavioral Teratology Society, 2010.

Neurobehavioral Effects of Stressors in Larval Zebrafish. Neurobehavioral Teratology Society, 2005 (**Symposium co-chair**).

Effects of NMDA System Modulations on Zebrafish Behavior: Implications for Understanding Human Behavior. Bard College Faculty Seminar, February 5, 2003.

NMDA receptor mechanisms and neurobehavioral development in zebrafish. Neurobehavioral Teratology Society, 2003 (**Symposium co-chair**).

Distinguished Scientist Lecture Series Pre-lecture talk “Endocrine Function and Endocrine Disruptors,” Bard College, February 17, 2001.

Distinguished Scientist Lecture Series Pre-lecture talk “Communication Systems in the Central Nervous System,” Bard College, May 12, 2001.

Perinatal Events: Neural Mechanisms Linking Early Experience and Future Pathologies. Psychology Club, Bard College, Annandale, N.Y., November 17, 1999.

Developmental Phencyclidine Exposure: Locomotor and Sensorimotor Effects. Excitatory Amino Acids Meeting - 10th Anniversary, Manaus, Brazil, November 19, 1998.

Methods in Neurobehavioral Toxicology. Department of Pharmaceutical Sciences, University of Arkansas for Medical Sciences, Little Rock, Arkansas, February 7, 1997.

The Role of NMDA Systems in the Developmental Neurobehavioral Toxicity of Phencyclidine. XXth Collegium Internationale Neuro-Psychopharmacologicum, Melbourne, June 24, 1996 (**Symposium Co-chair** with Dr. Vincenzo Cuomo).

Pharmacokinetics of Phencyclidine and Cocaine in Neonatal Piglets. 9th International Conference on Mechanisms in Medicine and Biology, Ljubljana, Slovenia, July 1, 1996.

The Case of the Frozen Addict - A Parkinson’s Disease Model. Slovene Pharmaceutical Society, Ljubljana, Slovenia. January 23, 1996.

Use of Telemetry for Continuous Physiological Measurements in Piglets. Faculty of Electrical and Computer Engineering, University of Ljubljana, Ljubljana, Slovenia. January 10, 1996.

Patterns of Drug Use in America and Slovenia: Social and Behavioral Implications, American Center and Slovene Fulbright Alumni Society, Ljubljana, Slovenia. December 8, 1995.

Methods in Neurobehavioral Teratology. Department of Pharmacy, University of Ljubljana, Ljubljana, Slovenia. December 10, 1995.

Neurobehavioral Toxicity of Developmental Phencyclidine Exposure: Role of NMDA Systems. Department of Pharmacology, University of Bari Medical School, Bari, Italy. December 4, 1995.

Developmental Neurobehavioral Toxicity of Phencyclidine: The Role of NMDA Systems, Hungarian Academy of Sciences, Pecs, Hungary. November 10, 1995.

Methods in Neurobehavioral Teratology. Graduate Seminar, Institute of Pharmacology, University of Pecs, Pecs, Hungary. November 9, 1995.

Developmental Phencyclidine Exposure: An *In Vivo* Model of NMDA-Mediated Neurotoxicity, Slovene Pharmaceutical Society, Bled, Slovenia. October 20, 1995.

The Role of NMDA Systems in Neurobehavioral Toxicity of Phencyclidine. College of Pharmacy, University of Kentucky, Lexington, KY. August 9, 1995.

The Role of NMDA Systems in the Developmental Neurotoxicity of PCP. Department of Pharmacology, Loyola University, Stritch School of Medicine, Chicago, June 5, 1995.

The Role of NMDA Systems in the Developmental Neurotoxicity of PCP. Department of Pharmacy, University of Ljubljana, Ljubljana, Slovenia, May 11, 1995.

The Role of NMDA Systems in the Developmental Neurotoxicity of PCP. International Conference on Drugs of Abuse, Funchal, Portugal, April 29, 1995 (**Session Organizer and Chair**).

Use of the Neonatal Piglet to Model Infant Cardiovascular Responses to Feeding, Department of Pediatrics, UAMS, Little Rock, October 14, 1994.

Telemetry Monitoring in Piglets, Arkansas AALAS meeting, Little Rock, October 13, 1994.

Telemetry Monitoring of Cardiovascular Function in Piglets. Department of Physiology-Biophysics, UAMS, Little Rock, September 23, 1994.

Cardiovascular and Behavioral Effects of Cocaine in Piglets. National Institute on Drug Abuse Technical Review "Biological Mechanisms and Perinatal Exposure to Abused Drugs", Washington, D.C., May 25, 1994.

A System for Collecting Blood Pressure, ECG, Heart Rate, Body Temperature and Locomotor Activity in Newborn Piglets. Data Sciences Tutorial on Biotelemetry, FASEB, Anaheim, CA, April 26, 1994.

Ontogeny of the Behavioral Effects of Phencyclidine. Department of Pharmacology and Toxicology, UAMS, Little Rock, Arkansas, October 6, 1993.

Behavioral Effects of MK-801 During Development. International Neurotoxicology Conference, Little Rock, Arkansas, September 30, 1993.

Cardiovascular Responses to Feeding in Piglets. Department of Psychology and Center for Developmental Psychobiology, State University of New York at Binghamton, August 18, 1993.

Cardiovascular Responses to Feeding in Newborn Rats and Piglets. Department of Psychology, Oklahoma State University, Norman, OK, February 7, 1992.

Cardiovascular Responses to Feeding and Acute Cocaine or Phencyclidine Exposure in Newborn Rats and Pigs. Pediatric Research Conference. Department of Pediatrics, Arkansas Children's Hospital, Little Rock, Arkansas, October 1, 1990.

Neurobehavioral Effects of Prenatal Haloperidol Exposure. School of Pharmacy, University of Ljubljana, Ljubljana, Slovenia, Yugoslavia, August 8, 1990.

Neurobehavioral Effects of Prenatal Methylendioxy-methamphetamine (MDMA) in Rats. Behavioural Pathophysiology Section, Istituto Superiore di Sanita, Rome, Italy. July 18, 1990.

Neurobehavioral Effects of Prenatal Haloperidol Exposure. Symposium IV: Functional Teratology of Dopamine Systems, Neurobehavioral Teratology Society, Richmond, Virginia. June 6, 1989.

ADMINISTRATIVE AND SERVICE RESPONSIBILITIES

Bard College Senate 2016-present
Bard College Planning and Appointments (PAC) Committee – 2016-present
Board Member, Eastern New York Chapter Fulbright Association 2009-present
Council Member, Neurobehavioral Teratology Society 2013-2015
Bard College Faculty Evaluation and Review Committee (FERC) 2013-2015
Publications Committee, Neurotoxicology and Teratology 2011-2013
Bard College Psychology Program Director 2003 - 2013
Bard College Search Committee (chair) 2010 – 2 yr. Visiting Position, Psychology
Bard College Search Committee 2010 - Economics
Bard College Search Committee (chair) 2008 - Clinical Psychology
Bard College Search Committee (chair) 2007 - Social Psychology
Bard College Search Committee (chair) 2006 - Developmental Psychology
Bard College Search Committee (chair) 2005 - Cognitive Psychology
Bard College Senate 2006 - 2008
Bard College Curriculum Committee 2005 - 2008
Bard College Research Fund (chair) 2004 – 2005
Bard College Information Resource Council 2001 - 2003
Bard College Computer Committee 2001 - 2003
Psychology Program Interim Co-chair, 2001 - 2002
Tenure and Promotion Committee, Department of Pediatrics,
University of Arkansas for Medical Sciences (UAMS), 1996 - 2000
Institutional Animal Care and Use Committee, UAMS, 1996 - 2000
Medical School Admissions Interviewer, UAMS, 1995- 2000
Animal Committee, Arkansas Children's Hospital Research Institute, 1994 - 2000
Center for Alcohol and Drug Abuse Studies Faculty Member, UAMS, 1994 - 2000
Independent Study Program, Department of Psychology, UALR, 1994 - 2000
Student Presentation Judge, Arkansas Chapter of the Society for Neuroscience, 1994 and 1997
Council Member, Neurobehavioral Teratology Society, 1996-1998
Publications Committee, Neurotoxicology and Teratology, 1996-1998
President, Arkansas Chapter of the Society for Neuroscience, 1996-1997
Research Council, Arkansas Children's Hospital Research Institute, 1994 - 1997
Fulbright Institute 50th Anniversary Symposium, Panel Member, 1996
Diploma Advisor, Istok Grabnar, Department of Pharmacy, University of Ljubljana, 1995
Dissertation Reviewer, Department of Toxicology, University of Bombay, 1995
Arkansas School for Mathematics and Sciences, Panel Member, 1995
Finance Committee, Neurobehavioral Teratology Society, 1991-1994 (Chairman 1992-1993)
Interdisciplinary Neuroscience Graduate Program Committee, UAMS, 1994
Society for Neuroscience, Arkansas Chapter - Committee for "Decade of the Brain" presentation, Washington, D.C., 1993
Conference Co-Organizer "Conference on Methods in Behavioral Toxicology and Teratology", October 4-6, 1989, Little Rock, Arkansas
Psychology Graduate Student Association Vice-President, SUNY Binghamton, 1982-1983
