EDUCATION

Ph.D., Cognition and Brain Science Minor: Quantitative Psychology Georgia Institute of Technology, Atlanta, GA	2014
M.S., Cognition and Brain Science Georgia Institute of Technology, Atlanta, GA	2010
B.A., Psychology Bates College, Lewiston, ME	2005

PROFESSIONAL EMPLOYMENT

Visiting Assistant Professor Bard College, Annandale-on-Hudson, NY	Fall 2014 – Present
Adjunct Professor Agnes Scott College, Decatur, GA	Spring 2014

PUBLICATIONS (*indicates undergraduate collaborator)

Hutcheon, T. G., Lian*, A., & Richard*, A. (in press). The impact of a technology ban on students' experience and performance in Introduction to Psychology. *Teaching of Psychology*.

Hutcheon, T. G. (2018). *Technology bans and student experience in the college classroom*. In W. Altman, L. Stein, & J. E. Westfall (Eds.), *Essays from E-xcellence in Teaching* (Vol. 17, pp. 40-44).

Hutcheon, T. G., Spieler, D. H., & Eldar*, M. (2017). Properties of context-driven control revealed through the analysis of sequential congruency effects. *Acta Psychologica, 178*, 107-113.

Hutcheon, T. G., & Spieler, D. H. (2017). Limits on the generalizability of context-driven control. *The Quarterly Journal of Experimental Psychology, 70*, 1292-1304.

Mayr, U., Spieler, D. H., & **Hutcheon, T. G.** (2015). When and why do old adults outsource control to the environment? *Psychology and Aging, 30*, 624-633.

Hutcheon, T. G., & Spieler, D. H. (2014). Contextual influences on the sequential congruency effect. *Psychonomic Bulletin & Review, 21*, 155-162.

MANUSCRIPTS IN PREPARATION (*indicates undergraduate collaborator)

Hutcheon, T. G., & Fitzgerald, E*, A. Evidence for item-specific control under concurrent memory load.

Eldar*, M., & **Hutcheon, T. G.** What's Your Type? Readability of Fonts Across Native and Non-Native English Speakers

Hutcheon, T. G., & Spieler, D. H. The influence of stimulus experience in studies of context-driven control: An exemplar based model of Stroop performance.

CONFERENCE PRESENTATIONS (*indicates undergraduate collaborator)

Hutcheon, T. G., Gibson*, O., **Sullivan***, A., & **Fitzgerald***, E. (submitted). *Evidence for stimulus-driven control under concurrent memory load*. Poster submitted to the 59th annual meeting of the Psychonomic Society, New Orleans, LA.

Hutcheon, T. G. (2018, September). Seeing how you are doing: Providing students with grade visualizations reduces grade-related stress. Presentation to be given at the 20th Annual Mid-Atlantic Conference on the Teaching of Psychology, Largo, MD.

Nielsen*, S., **Fitzgerald***, E., **Lian***, A., & **Hutcheon, T. G.** (2017, October). *The impact of grade visualization on college students' academic stress*. Poster presented at the 23rd Annual Meeting of the Northeast Conference for Teachers of Psychology, Newton, MA.

Frishberg*, E., & **Hutcheon, T. G.** (2017, May). *The effects of autobiographical growth narratives on math performance in women*. Poster presented at the 29th Annual Meeting of the Association for Psychological Science, Boston, MA.

Hutcheon, T. G., Lian*, A., & Richard*, A. (2016, November). *Applying response time distribution analysis to item-level manipulations: Evidence for stimulus-driven control*. Poster presented at the 57th annual meeting of the Psychonomic Society, Boston, MA.

Hutcheon, T. G., Richard*, A., & Lian*, A. (2016, October). *The impact of a technology ban on student's perceptions and performance in introduction to psychology*. Poster presented at the Society for the Teaching of Psychology 15th Annual Conference on Teaching, Decatur, GA.

Winner of the STP Early Career Psychologist Poster Award

Eldar*, M., & Hutcheon, T. G. (2016, April). *The readability of serif and sans serif fonts across native and non-native English speakers*. Poster presented at the 5th annual Westchester Undergraduate Research Conference, Dobbs Ferry, NY.

Lian*, A., Brown*, H., Givens*, G., Richard*, A., & Hutcheon, T. G. (2016, April). *The effect of a technology ban on professor-student rapport in the college classroom*. Poster presented at the 30th Annual Conference on the Teaching of Psychology sponsored by Farmingdale State University, Tarrytown, NY.

Rodriguez*, W., Konefal*, R. J., Brown*, H., & Hutcheon, T. G. (2016, April). *The effect of a technology ban on student engagement in the college classroom*. Poster presented at the 30th annual Conference on the Teaching of Psychology sponsored by Farmingdale State University, Tarrytown, NY.

Eldar*, M., Bremner*, M., & Hutcheon, T. G. (2015, October). *Moving beyond the mean in studies of stimulus-driven control*. Poster presented at the 55th annual meeting of the New England Psychological Association, Fitchburg, MA.

Hutcheon, T. G., Eldar*, M., & Bremner*, M. (2015, May). *Investigating the specificity of proactive control in tasks of selective attention*. Poster presented at the 27th annual meeting of the Association for Psychological Science, New York, NY.

Hutcheon, T. G. & Spieler, D. H. (2014, November). *Properties of context-driven control revealed through the analysis of conflict adaptation effects*. Poster presented at the 55th annual meeting of the Psychonomic Society, Long Beach, CA.

Hutcheon, T. G., & Spieler, D. H. (2013, November). *Using delta plots to assess the time course of conflict adaptation*. Poster presented at the 54th annual meeting of the Psychonomic Society, Toronto, ON, Canada.

Hutcheon, T. G., & Spieler, D. H. (2012, April). *Sequential adjustments in performance are influenced by stimulus context in both younger and older adults*. Poster presented at the 14th annual Cognitive Aging Conference, Atlanta, GA.

Hutcheon, T. G. & Spieler, D. H. (2011, November). *Generalization/discrimination and conflict adaptation effects*. Poster presented at the 52nd annual meeting of the Psychonomic Society, Seattle, WA.

Hutcheon, T. G., & Spieler, D. H. (2010, November). *The generalization of item specific control to semantically related words*. Poster presented at the 51st annual meeting of the Psychonomic Society, St. Louis, MO.

Hutcheon, T. G., & Spieler, D. H. (2010, April). *The specificity of putative general control mechanisms*. Poster presented at the 13th annual Cognitive Aging Conference, Atlanta, GA.

Hutcheon, T. G., & Spieler, D. H. (2010, February). *The role of stimulus information in tasks of selective attention: A computational model of Stroop performance*. Poster presented at the Georgia Tech Research and Innovation Conference, Atlanta, GA.

Hutcheon, T. G., & Spieler, D. H. (2009, November). *Selective attention in the immediate future based on the recent past*. Poster presented at the 50th annual meeting of the Psychonomic Society, Boston, MA.

Hutcheon, T. G., & Spieler, D. H. (2009, May). *Dynamic modulation of control: Time series analysis of Stroop performance*. Research talk presented at the 81st annual meeting of the Midwestern Psychological Association, Chicago, IL.

CONFERENCE PROCEEDINGS (*indicates undergraduate collaborator)

Frishberg*, E., & **Hutcheon, T. G.** (in press). The effects of autobiographical growth narratives on math performance in women. In R. L. Miller (Ed.) Teaching Tips: A Compendium of Conference Presentations on Teaching.

Hutcheon, T. G., Richard*, A., & Lian*, A. (in press). The impact of a technology ban on student's perceptions and performance in introduction to psychology. In R. L. Miller (Ed.) Teaching Tips: A Compendium of Conference Presentations on Teaching.

LOCAL PRESENTATIONS (*indicates undergraduate collaborator)

Hutcheon, T. G. (2018, March). Learning to ignore: The impact of stimulus experience on cognitive control. Talk presented as part of the Bard College Psychology Program Colloquium Series.

Lian*, A., Nielsen*, S., & Hutcheon, T. G. (2017, September). *See Figure 1: The relationship between eye fixation patterns on PowerPoint Slides and Subsequent Memory Performance*. Poster presented at the Bard Summer Research Institute Poster Session. Annandale-on-Hudson, NY.

TEACHING EXPERIENCE

CORE COURSES

Introduction to Psychological Science, *Georgia Institute of Technology*: Summer 2010, Summer 2012; *Agnes Scott College*: Spring 2014; *Bard College*: Fall 2014, Spring 2015, Fall 2015, Spring 2016, Fall 2016, Spring 2017, Fall 2017; Spring 2018; Fall 2018

Statistics for Psychology, *Bard College*: Fall 2015

Cognitive Psychology, *Bard College*: Fall 2014, Spring 2017

Sensation and Perception, *Bard College*: Spring 2015, Spring 2018

Advertising and Consumer Behavior, *Bard College*: Fall 2015

SEMINARS

Cognitive Psychology: Advanced Methodology, *Bard College*: Spring 2016, Fall 2018

Predicting Behavior: Using Linear Regression Analysis in Psychological Research: *Bard College*: Fall 2018

Cognitive Aging *Bard College*: Fall 2017

No Train, No Gain: Using Brain Training to Prevent Cognitive Decline, *Bard College*: Spring 2017

Executive Control of Thought and Action, *Bard College*: Spring 2015

SENIOR PROJECT SUPERVISION AT BARD COLLEGE

(Date indicates semester of completion, **indicates empirical project,)

Nicole Elin (Spring 2019). TBD.

Nikolai Grumet (Spring 2019). TBD.

Rachael Rice (Spring 2019). TBD

Luke Sandbank (Spring 2019). TBD.

Elizabeth Fitzgerald (Spring 2018). *Nothing tastes as good as starvation feels: Anorexia nervosa as a maladaptive mechanism of emotion regulation.*

Aileen Lian (Spring 2018). "Boys will be boys": *Examining the relationship between men's conformity to masculine norms and perceptions of psychological abuse.* **

Winner of Andrew Bernstein award for best senior project in psychology at Bard College

Chanya Riddick (Spring 2018). *The unwilling spectator: How secondary exposure to trauma through journalism effects on emotional processing.***

Sydney Sinclair (Spring 2018). *Cream of the crop or the bottom of the barrel: An exploration of the variation in susceptibility to social influences present in genocides.*

Eva Frishberg (Spring 2017). *The impact of self-generated growth narrative on women's persistence and effort on math tasks.* **

Winner of Andrew Bernstein award for best senior project in psychology at Bard College

Sarah Genung (Spring 2017). *Human chameleons: Are biracial individuals with integrated racial identities more prone to body dissatisfaction?*

Glenisha Givens (Spring 2017). *Putting micro-aggressions under the microscope: Examining the effects of micro-aggressions on student engagement in the college classroom.* **

Maayan Eldar (Spring 2016). *What's your type?: Readability of fonts across native and non-native English speakers.* **

Zachary Goodman (Spring 2016). *Contrasting substance abuse and mobile gaming addiction.*

Nicole Lang (Spring 2016). *The influence of arousal on the perception of colors.* **

Veronika Mojzesova (Fall 2015). *The difference in motor memory as a function of the characteristic movements of musical instruments.*

Michelle Lee (Spring 2015) *Eating disorders in Asian-American women: Self-esteem and fat phobia.* **

AWARDS AND HONORS

Society for the Teaching of Psychology, Early Career Psychologist Travel Grant
Society for the Teaching of Psychology, Early Career Psychologist Poster Award
Georgia Institute of Technology, Presidential Fellow
Georgia Institute of Technology, Graduate Student Travel Award

FUNDING

Bard College, Summer 2017

Bard Summer Research Institute (BSRI) Grant (\$6,000)

Bard College, Summer 2016

Division of Science, Mathematics, and Computing Summer Research Grant (\$3,000)
