ACADEMIC POSITIONS

Assistant Professor , Bard College	Fall 2020 - Present
Visiting Assistant Professor , Bard College	Fall 2014 – Spring 2020
Adjunct Professor , Agnes Scott College	Spring 2014

EDUCATION

Ph.D. , Georgia Tech Cognition and Brain Science, Minor: Quantitative Psychology	2014
M.S. , Georgia Tech Cognition and Brain Science	2010
B.A. , Bates College Psychology	2005

TEACHING EXPERIENCE

Instructor, Bard College
 PSY 141: Introduction to Psychological Science
 PSY 128: The Science of Behavior (with Lab)
 PSY 202: Design and Analysis II (with Lab)
 PSY 203: Statistics for Psychology (with Lab)
 PSY 230: Cognitive Psychology
 PSY 233: Sensation and Perception
 PSY 235: Attention
 PSY 238: Human-Computer Interaction,
 PSY 262: Advertising and Consumer Behavior
 PSY 306: Face Perception
 PSY 321: Cognitive Aging
 PSY 322: Executive Control of Thought and Action

PSY 323: Human Visual Perception
PSY 346: Brain Training
PSY 403: Junior Conference
PSY 404: Senior Conference
PSY PERCE: Advanced Methodologies in Perception

Instructor, Agnes Scott College

Introductory Psychology: Biological Foundations and Cognitive Processes

Instructor, Georgia Tech

General Psychology

Hutcheon, T. G., & Spieler, D. H. (2014). Contextual influences on the sequential congruency effect. *Psychonomic Bulletin & Review*, 21, 155-162.

MANUSCRIPTS UNDER REVIEW (*indicates undergraduate collaborator)

Rafailova*, P., Malikova*, A., Ingwu*, J., Wintjen*, R., & **Hutcheon, T. G.** (revise and resubmit)
Robot gaze directs attention in a location-based manner.

Golden, * M. J., **Hutcheon, T. G.**, Mathis, K. M., Cohen-Shikora, E., & Kahan, T. (submitted).
Distractor preview moderates the alerting-congruency interaction in Stroop and Flanker tasks: Evidence for the importance of response time analyses.

MANUSCRIPTS IN PREPARATION (*indicates undergraduate collaborator)

Hutcheon, T. G., Bishen*, P., Chen*, C., & Malikova*, A. *The effects of item visibility on rates of pre-crastination.*

Samat* A., Rafailova*, P., & **Hutcheon, T. G.** *Search competition reduces the size of the gaze cueing effect.*

PRESENTATIONS (*indicates undergraduate collaborator)

Rafailova*, P., Malikova*, A., Wintjen*, R. Law*, T., & **Hutcheon, T. G.** (2025, March). Robot eye-gaze directs attention in an object-based manner. Poster presented at the 95th annual meeting of the Eastern Psychological Association, New York, NY.

Samat*, A., Rafailova*, P., & **Hutcheon, T. G.** (2025, March). Teamwork or competition: instructional context modulates attention in the gaze-cueing paradigm. Poster presented at the 95th annual meeting of the Eastern Psychological Association, New York, NY.

Malikova*, A., Ingwu*, J., Rafailova*, P., Wintjen*, R., & **Hutcheon, T.G.** (2024, October). Orienting of Attention is Location-Based for both Arrows and Eye-Gaze Cues. Poster presented at the Bard Summer Research Institute Poster Session. Annandale-on-Hudson, NY.

Hutcheon, T. G. (2024, March). The eyes have it! Face and gaze perception as a window into mental representations. Talk presented as part of the Bard College Psychology Program Colloquium Series. Annandale-on-Hudson, NY.

Kaplan, A., David*, A., Ingwu*, J., Meselsohn*, Retzliff*, C., & **Hutcheon, T. G.** (2024, February). *A Repulsive Inquiry: The impact of cognitive load on aversive gaze behaviors.* Poster presented at the 94th annual meeting of the Eastern Psychological Association, Philadelphia, PA.

- Retzlaff*, C., David*, A., Ingwu*, J., Meselsohn*, N., Kaplan, A., & **Hutcheon, T. G.** (2024, February). *Gender differences in the use of social and non-social spatial cues*. Poster presented at the 94th annual meeting of the Eastern Psychological Association, Philadelphia, PA.
- McMahon*, H., Retzlaff*, C., Samat*, A., Tinker*, C., & **Hutcheon, T.G.** (2023, October). *The Attractiveness of Face Cues does not Modulate the Gaze Cuing Effect*. Poster presented at the Bard Summer Research Institute Poster Session. Annandale-on-Hudson, NY.
- Hulbert, J. C., & **Hutcheon, T. G.** (2023, April). The psychology of reading: From saccades to semantics. Invited talk at the first annual Bard Reading Initiative Conference. Annandale on-Hudson, NY.
- David*, A., Ingwu*, J., Meselsohn*, N., & **Hutcheon, T.G** (2023, March). *Pre-crastination in physical and cognitive tasks*. Poster presented at the 94th annual meeting of the Eastern Psychological Association, Boston, MA.
- Fisher, P., Beins, B., Ghirardelli, T., **Hutcheon, T. G.**, & Bodenlos, J. (2022, March). *Experiential learning as part of the curriculum*. Panel held at the 93rd annual meeting of the Eastern Psychological Association, New York, NY.
- Hutcheon, T. G.**, Caliandro*, M., Tucker*, G., Wang*, M., & Wu*, K. (2022, March). *Can race serve as a context in context-driven attentional control?* Poster presented at the 93rd annual meeting of the Eastern Psychological Association, New York, NY.
- Hutcheon, T. G.** (2021, May). *Context-driven control is not cued by gender*. Poster presented at the 33rd Annual Meeting of the Association for Psychological Science, Virtual Meeting.
- Hutcheon, T. G.** (2021, April). *The impact of social categories on context-driven attention*. Talk presented as part of the Bard College Psychology Program Colloquium Series. Annandale-on-Hudson, NY.
- Ostbirk*, K., Herrera Garcia*, I., & **Hutcheon, T. G.** (2021, March). *Active learning discomfort: The role of classroom professor-student rapport*. Poster presented at the 92nd annual meeting of the Eastern Psychological Association. Virtual Meeting.
- Ostbirk*, K., Herrera Garcia*, I., & **Hutcheon, T. G.** (2020, October). *Social anxiety and active learning discomfort: The impact of classroom comfortability and professor-student rapport*. Poster presented at the Bard Summer Research Institute Poster Session. Annandale-on-Hudson, NY.
- Hutcheon, T. G.** (2020, October). *Aging and Attention*. Invited talk for the Lifetime Learning Institute's "Bard Masters of Math and Math Science" series. Annandale on-Hudson, NY.

Hutcheon, T. G., Zion*, I, & Arnold*, J. (2019, November). *Context-specific contingency learning under low but not high memory load*. Poster presented at the 60th annual meeting of the Psychonomic Society, Montreal, QC, Canada.

Kolovoskaia*, D., & **Hutcheon, T. G.** (2019, April). *The impact of working memory load on stimulus-driven control*. Talk presented at the 8th Annual Smolny International Student Conference, St Petersburg State University, St. Petersburg, Russia. **[Winner of Best Student Presentation Award at the Smolny International Student Conference]**

Hutcheon, T. G., Augustin* A., Coffey*, B., Griffin*, C., Kolovoskaia*, D., & Zion*, I (2019, March). *Stimulus-driven control in the absence of contingency learning*. Poster presented at the 90th annual meeting of the Eastern Psychological Association, New York, NY.

Hutcheon, T. G., Gibson*, O., Sullivan*, A., & Fitzgerald*, E. (2018, November). *Evidence for stimulus-driven control under concurrent memory load*. Poster presented at the 59th annual meeting of the Psychonomic Society, New Orleans, LA.

Hutcheon, T. G. (2018, September). *Seeing how you are doing: Providing students with grade visualizations reduces grade-related stress*. Presentation given at the 20th Annual Mid Atlantic Conference on the Teaching of Psychology, Largo, MD.

Hutcheon, T. G. (2018, March). *Learning to ignore: The impact of stimulus experience on cognitive control*. Talk presented as part of the Bard College Psychology Program Colloquium Series. Annandale-on-Hudson, NY.

Nielsen*, S., Fitzgerald*, E., Lian*, A., & **Hutcheon, T. G.** (2017, October). *The impact of grade visualization on college students' academic stress*. Poster presented at the 23rd Annual Meeting of the Northeast Conference for Teachers of Psychology, Newton, MA.

Lian*, A., Nielsen*, S., & **Hutcheon, T. G.** (2017, September). *See Figure 1: The relationship between eye fixation patterns on PowerPoint slides and subsequent memory performance*. Poster presented at the Bard Summer Research Institute Poster Session. Annandale-on-Hudson, NY.

Frishberg*, E., & **Hutcheon, T. G.** (2017, May). *The effects of autobiographical growth narratives on math performance in women*. Poster presented at the 29th Annual Meeting of the Association for Psychological Science, Boston, MA.

Hutcheon, T. G., Lian*, A., & Richard*, A. (2016, November). *Applying response time distribution analysis to item-level manipulations: Evidence for stimulus-driven control*. Poster presented at the 57th annual meeting of the Psychonomic Society, Boston, MA.

Hutcheon, T. G., Richard*, A., & Lian*, A. (2016, October). *The impact of a technology ban on student's perceptions and performance in introduction to psychology*. Poster presented at the Society for the Teaching of Psychology 15th Annual Conference on Teaching, Decatur, GA. **[Winner of the STP early career psychologist poster award]**.

Eldar*, M., & **Hutcheon, T. G.** (2016, April). *The readability of serif and sans serif fonts across native and non-native English speakers*. Poster presented at the 5th annual Westchester Undergraduate Research Conference, Dobbs Ferry, NY.

Lian*, A., Brown*, H., Givens*, G., Richard*, A., & **Hutcheon, T. G.** (2016, April). *The effect of a technology ban on professor-student rapport in the college classroom*. Poster presented at the 30th Annual Conference on the Teaching of Psychology sponsored by Farmingdale State University, Tarrytown, NY.

Rodriguez*, W., Konefal*, R. J., Brown*, H., & **Hutcheon, T. G.** (2016, April). *The effect of a technology ban on student engagement in the college classroom*. Poster presented at the 30th annual Conference on the Teaching of Psychology sponsored by Farmingdale State University, Tarrytown, NY. **[Second place in the student poster competition]**.

Eldar*, M., Bremner*, M., & **Hutcheon, T. G.** (2015, October). *Moving beyond the mean in studies of stimulus-driven control*. Poster presented at the 55th annual meeting of the New England Psychological Association, Fitchburg, MA.

Hutcheon, T. G., Eldar*, M., & Bremner*, M. (2015, May). *Investigating the specificity of proactive control in tasks of selective attention*. Poster presented at the 27th annual meeting of the Association for Psychological Science, New York, NY.

Hutcheon, T. G. & Spieler, D. H. (2014, November). *Properties of context-driven control revealed through the analysis of conflict adaptation effects*. Poster presented at the 55th annual meeting of the Psychonomic Society, Long Beach, CA.

Hutcheon, T. G. (2014, February). *Attentional performance in the future based on the immediate past*. Invited talk presented to the Auditory Research Group at the Medical University of South Carolina, Charleston, SC.

Hutcheon, T. G., & Spieler, D. H. (2013, November). *Using delta plots to assess the time course of conflict adaptation*. Poster presented at the 54th annual meeting of the Psychonomic Society, Toronto, ON, Canada.

Hutcheon, T. G., & Spieler, D. H. (2012, April). *Sequential adjustments in performance are influenced by stimulus context in both younger and older adults*. Poster presented at the 14th annual Cognitive Aging Conference, Atlanta, GA.

Hutcheon, T. G. & Spieler, D. H. (2011, November). *Generalization/discrimination and conflict adaptation effects*. Poster presented at the 52nd annual meeting of the Psychonomic Society, Seattle, WA.

Hutcheon, T. G., & Spieler, D. H. (2010, November). *The generalization of item specific control to semantically related words*. Poster presented at the 51st annual meeting of the Psychonomic Society, St. Louis, MO.

Hutcheon, T. G., & Spieler, D. H. (2010, April). *The specificity of putative general control mechanisms*. Poster presented at the 13th annual Cognitive Aging Conference, Atlanta, GA.

Hutcheon, T. G., & Spieler, D. H. (2010, February). *The role of stimulus information in tasks of selective attention: A computational model of Stroop performance*. Poster presented at the Georgia Tech Research and Innovation Conference, Atlanta, GA.

Hutcheon, T. G., & Spieler, D. H. (2009, November). *Selective attention in the immediate future based on the recent past*. Poster presented at the 50th annual meeting of the Psychonomic Society, Boston, MA.

Hutcheon, T. G., & Spieler, D. H. (2009, May). *Dynamic modulation of control: Time series analysis of Stroop performance*. Research talk presented at the 81st annual meeting of the Midwestern Psychological Association, Chicago, IL.

CONFERENCE PROCEEDINGS (*indicates undergraduate collaborator)

Kolovoskaia*, D., & **Hutcheon, T. G.** (2019). The impact of working memory load on stimulus-driven control. *The Smolny Student Conference Journal*. St Petersburg State University: St. Petersburg, Russia.

Hutcheon, T. G., Richard*, A., & Lian*, A. (2018). The impact of a technology ban on student's perceptions and performance in introduction to psychology. In R. L. Miller and A. Martinez (Eds.), *Teaching Tips: A Compendium of Conference Presentations on Teaching, 2016-17*.

SENIOR PROJECT SUPERVISION AT BARD COLLEGE

(Date indicates semester(s) of supervision, **indicates empirical project)

- Yserwrantz Lubin (Fall 2024 – Spring 2025). *The Missing Link: Aging Out and The Role of Parental Support On College Persistence, Emotional Distress, and Social Isolation, Foster Care Alumni and First-Generation Peers***.
- Xuan Ma (Fall 2024). *Stable Action Symbols in PMv Across Recording Sessions & Dynamic Switching of Vision, Planning, And Motor Neural Codes in the Macaque Brain***.
- Clara Retzlöff (Fall 2024, Spring 2025). *Processing Human and Monkey Faces: An Eye-Tracking Study***.
- Quinn Seger (Spring 2025). *Communication as Connection: A Dialogic Approach to Engagement, Comprehension, and Trust in Psychology*.
- Calum Tinker (Fall 2024 – Spring 2025). *The Architectural and Environmental Psychology of Danish and American Prisons*.
- Justyne Ingwu (Spring 2024). *Effects of Animosity on Smoking Stigma: The moderating effects of race***.
- Luis Jhamil Rondon Trelles (Spring 2024). *The Impact of Religiosity and Spirituality on Wellbeing: The Mediating Effect of Positive Emotions and Perceived control***.
- Jared Toby (Spring 2023). *The Effectiveness of Virtual Training: Comparing Virtual and In-person Sport Specific Cognitive Training***.
- Atom Carrasco (anticipated Fall 2022 – Spring 2023). *The Psychology Behind Immersive Controls in Video Games and their Real-World Effects*
- Asa Kaplan (Fall 2022 – Spring 2023). *Exploration of Disgust: The Cognitive Resources Necessary for Disgust Resilience***.
- Henry McCullers (Fall 2022 – Spring 2023). *Incubation, not sleep, aids problem-solving*.
- Ana Quigley (Fall 2022). *Analyzing the effects of Cooperative Video Games on Social Anxiety and Communication*.
- Ivy Wu (Fall 2022). *How Lyrics Influence the Effect of Music on Emotions Regarding Differences in Musical Training***.
- Cam Goldberg (Spring 2022 – Fall 2022). *Is transphobia conditional? The impact of coming out before or after getting to know someone***.
- Itzel Herrera Garcia (Spring 2022 – Fall 2022). *The power of representation: The relationship between media representation of black people and implicit bias***.
- Freddie Hernandez (Fall 2021 – Spring 2022). *Color me Impressed: using the lexical decision task to understand color-word associations* **.
- Jess Rylander (Fall 2021 – Spring 2022). *The effects of music-induced emotion on memory***.
- Anya Swinchoski (Spring 2021 – Fall 2021).
*A Major Decision: Examining the relationship between emotional Intelligence, mindfulness, and security in college major***
- Isabela Cruz-Vespa (Fall 2020 – Spring 2021). *The college choice: Adolescent identity uncertainty and group entitativity***
- Gabriel Rosado Torres (Fall 2020 – Spring 2021). *Music as medicine: Supporting NASA's advancement into long-duration space missions*.

- Poppy Sheehan (Fall 2020 – Spring 2021). *Back to Wonderland: Can imaginative play improve creativity in adults?*
- Kirsten Ostbirk (Spring 2020 – Fall 2021). *The differences in attentional gradients between synesthetes and non-synesthetes as identified through visual search.* **
- Alina Augustin (Fall 2019 - Spring 2020). *The effects of virtual reality on motor performance in the first person point of view.* **
- Immanuel Zion (Fall 2019 – Spring 2020). *The effects of smartphone separation and dependence on selective attention.* **
- Nikolai Grumet (Fall 2018 – Spring 2019). *Reducing panic through olfaction.*
- Rachael Rice (Fall 2018 – Spring 2019). *How creating art impacts visual perception.* **
- Luke Sandbank (Fall 2018). *To conceive of consonance in chaos: The influence of the harmonic series on the perception of a new musical system.* **
- Elizabeth Fitzgerald (Spring 2018). *Nothing tastes as good as starvation feels: Anorexia nervosa as a maladaptive mechanism of emotion regulation.*
- Aileen Lian (Fall 2017 – Spring 2018). *“Boys will be boys”: Examining the relationship between men’s conformity to masculine norms and perceptions of psychological abuse.* **
[Winner of the 2018 Andrew J. Bernstein award for senior project in psychology at Bard College]
- Chanya Riddick (Fall 2017 – Spring 2018). *The unwilling spectator: How secondary exposure to trauma through journalism impacts emotional processing.* **
- Sydney Sinclair (Fall 2017 – Spring 2018). *Cream of the crop or the bottom of the barrel: An exploration of the variation in susceptibility to social influences present in genocides.*
- Eva Frishberg (Fall 2016- Spring 2017). *The impact of self-generated growth narrative on women’s persistence and effort on math tasks.* ** **[Winner of the 2017 Andrew J. Bernstein award for best senior project in psychology at Bard College]**
- Sarah Genung (Fall 2016 – Spring 2017). *Human chameleons: Are biracial individuals with integrated racial identities more prone to body dissatisfaction?*
- Glenisha Givens (Fall 2016 – Spring 2017). *Putting micro-aggressions under the microscope: Examining the effects of micro aggressions on student engagement in the college classroom.* **
- Maayan Eldar (Fall 2015 – Spring 2016). *What’s your type?: Readability of fonts across native and non-native English speakers.* **
- Zachary Goodman (Spring 2016). *Substance abuse and mobile gaming addiction.*
- Nicole Lang (Fall 2015 – Spring 2016). *The influence of arousal on the perception of colors.* **
- Veronika Mojzesova (Spring 2015 – Fall 2015). *The difference in motor memory as a function of the characteristic movements of musical instruments.*
- Michelle Lee (Fall 2014 – Spring 2015). *Eating disorders in Asian-American women: The role of self-esteem and fat phobia.* **

PROFESSIONAL SERVICE

Chair: Society for Teaching of Psychology, Early Career Psychologist Travel Grant Committee (January 2022 – present)

Ad Hoc Journal Reviewer:

Acta Psychologica; Advances in Cognitive Psychology; Aging, Neuropsychology, and Cognition Attention, Perception, & Psychophysics; British Journal of Psychology; Experimental Psychology; Cognition; Frontiers in Psychology; Journal of Cognitive Psychology; Journal of Experimental Psychology: Human Perception and Performance; Journal of Experimental Psychology: Learning, Memory, and Cognition; Memory & Cognition; New Ideas in Psychology; Psychological Research; Psychology and Aging; Psychonomic Bulletin & Review; Teaching of Psychology; The Quarterly Journal of Experimental Psychology

Textbook Reviewing:

Oxford University Press (*Sensation and Perception*); Sage Publishing (*Introduction to Psychology*); Worth Publishers (*Introduction to Psychology*)

AWARDS AND HONORS

Society for the Teaching of Psychology, Early Career Psychologist Travel Grant
Society for the Teaching of Psychology, Early Career Psychologist Poster Award
Georgia Institute of Technology, Presidential Fellow
Georgia Institute of Technology, Graduate Student Travel Award

FUNDING

Bard Summer Research Institute (BSRI) Grant 2025, 2024, 2023, 2020, 2017

Bard Research Fund, Spring 2023 – Spring 2024

“Does race serve as a context for context-driven attention?”

Bard College, Center for Civic Engagement, Fall 2020 – Fall 2021

“Visual Illusions”. Co-PI with Valeriia Karpinskaia, Smonly College

Bard College, SMC Division Summer Research Grant, Summer 2016

DEPARTMENTAL AND COLLEGE SERVICE

Member, Computer Science Search Committee, Fall 2024

Member, Psychology Search Committee, Fall 2024

Chair, Bard College Institutional Review Board (IRB), Fall 2020 – Spring 2022, Fall 2024 - present

Member, Bard College Institutional Review Board (IRB), Spring 2020, Fall 2022 – Spring 2024.

Member, Bard College Fulbright Committee, Fall 2022.

Member, Bard Reading Initiative, Fall 2021 – Spring 2024

Faculty-Student All-Star, Men’s Soccer Team, Fall 2019 - Present

Junior Faculty Fellow, Bard College Center for Faculty and Curricular Development, Spring 2022 – Fall 2022

Coordinator, Psychology Program Colloquium Series, Spring 2017- Spring 2019.

Member, Attention Working Group, Fall 2018 - Present

Administrator, Sona Experiment Management System, Fall 2017 – Present
