

Academic Appointments

2018–Present Assistant Professor of Psychology at [Bard College](#)

Education

2018 Ph.D. in Clinical Psychology from [The University of Texas at Austin](#)
2017–2018 APA-Accredited Pre-Doctoral Clinical Internship at [The University of Vermont](#)
2009 B.A. with Majors in Psychology and English from [Haverford College](#)

Languages: Fluent in English and Spanish

Programming languages: R, \LaTeX , jsPsych, Python

Clinical Psychologist: State of New York License No. 023811

Research

Research Interests: Cognitive bases of depression, negative affect, and attention; open science practices; statistical modeling of cognition; attention and decision-making in relationship with affect; emotional resilience and regulation; exploring novel ways to use the internet and mobile technology to carry out psychological science.

Peer-Reviewed Journal Articles

Note: Links to supplemental material and, where possible, PDFs or pre-prints are available on the [Affective Science Lab website](#).

1. Ivanova, M. Y., Hall, A., Weinberger, S., Buckingham, S. L., Copeland, W. E., Crockett, P., **Dainer-Best, Justin**, D'Alberto, C., Dewey, L., Foret, D., Galano, M., Goodrich, L., Holly, L., Lane, N., Leahey, M., Lerner, M., Marsh, J., McGinnis, E., Paiva-Salisbury, M., ... Hudziak, J. J. (2022). The Vermont Family Based Approach in primary care pediatrics: Effects on children's and parents' emotional and behavioral problems and parents' health-related quality of life. *Child Psychiatry & Human Development*.

Manuscripts Submitted for Publication

1. Freedman, G., & **Dainer-Best, J.** (submitted). Negative self-schemas and social rejection decisions. *Pre-print on PsyArXiv*. <https://doi.org/10.31234/osf.io/jdx2q>

Refereed Conference Presentations

1. **Dainer-Best, J.** & Harms, M. (2020, June 22). *Developing syllabi to integrate open science across an undergrad psychology curriculum* [Hackathon]. Meeting of the Society for the Improvement of Psychological Science, Victoria, BC, Canada. <https://doi.org/10.17605/osf.io/7mrth>
2. **Dainer-Best, J.**, Schnyer, D. M., Trujillo, L. T., & Beevers, C. G. (2017, April). Neural correlates of self-referent cognition in depressed adults. In J. **Dainer-Best** (Chair), *Cognitive neuroscience of depression: Examination across processes* [Symposium]. Meeting of the Anxiety and Depression Association of America, San Francisco, CA, United States
3. Beevers, C. G., **Dainer-Best, J.**, & Maddox, W. T. (2014, November). *Cognitive bias modification improves reward processing in depression* [Talk]. Association for Behavioral and Cognitive Therapies Annual Meeting, Philadelphia, PA, United States

Invited Presentations

1. **Dainer-Best, J.** (2019, October 4). *Meta-cognition in depression* [Talk]. Lifetime Learning Institute, Annandale-on-Hudson, NY, United States

Posters

1. **Dainer-Best, J.** (2020, November 19–22). *Assessing self-referent processing in comparison to depressive symptoms: What does reaction time gain?* [Poster presentation]. Association for Behavioral and Cognitive Therapies Annual Meeting, online, Philadelphia, PA, United States. <https://affectlab.bard.edu/ABCT20/>
2. **Dainer-Best, J.** & Beevers, C. G. (2018, May 24–27). *Online, cued positive imagery training reduces negatively biased self-referent cognition in depression* [Poster presentation]. Association for Psychological Science Annual Meeting, San Francisco, CA, United States
3. Caffey, K. D., Hsu, K. J., Foulser, A., **Dainer-Best, J.**, Shumake, J. D., & Beevers, C. G. (2018, May 24–27). *Parsing apart the residual impact of childhood trauma: Relations between childhood trauma type and attentional biases to negative stimuli in depressed adults* [Poster presentation]. Association for Psychological Science Annual Meeting, San Francisco, CA, United States
4. **Dainer-Best, J.** & Beevers, C. G. (2016, May). *Negative self-referential information processing is consistently predictive of depressive symptoms* [Poster presentation]. Association for Psychological Science Annual Meeting, Chicago, IL, United States
5. **Dainer-Best, J.**, McGeary, J. E., Maddox, W. T., & Beevers, C. G. (2014b, November). *Serotonin transporter polymorphism (5-HTTLPR) is associated with biased processing of negative self-referent information* [Poster presentation]. Association for Behavioral and Cognitive Therapies Annual Meeting, Philadelphia, PA, United States
6. **Dainer-Best, J.**, McGeary, J. E., Maddox, W. T., & Beevers, C. G. (2014a, April). *Genetics and depressive symptomatology predict response in a self-referential*

encoding task [Poster presentation]. Anxiety and Depression Association of America Annual Meeting, Chicago, IL, United States

7. **Dainer-Best, J.**, Stanley, E. A., Elliman, T., Schaldach, J. M., Rostrup, N., & Jha, A. P. (2011, August). *The influence of mindfulness training on mind wandering* [Poster presentation]. Society for Neuroscience Annual Meeting, Washington, DC, United States
8. Inge, A. P., Mundy, P. C., Henderson, H. A., Kojkowski, N. M., Schwartz, C. B., Zahka, N. E., Hileman, C. M., Coman, D. C., & **Dainer-Best, J.** (2007). *Anterior EEG asymmetry and social symptoms in HFA children* [Poster presentation]. International Meeting for Autism Research
9. Zahka, N. E., Coman, D. C., Inge, A. P., Kojkowski, N. M., Hileman, C., Schwartz, C. B., **Dainer-Best, J.**, Weisman de Mamani, A., Henderson, H. A., & Mundy, P. C. (2007). *Parental attitudes, family factors, and the role of attribution in the emotional and social development of higher functioning children with autism* [Poster presentation]. International Meeting for Autism Research
10. Zahka, N. E., Coman, D. C., Inge, A. P., Kojkowski, N. M., Hileman, C., Schwartz, C., **Dainer-Best, J.**, Weisman de Mamani, A., Henderson, H. A., & Mundy, P. C. (2007). *Parental attitudes and the role of attribution in the social-emotional development of higher functioning children with autism* [Poster presentation]. Society for Research in Child Development Biennial meeting

Departmental Talks

1. Dainer-Best, J. (2020, February 20). *Moving beyond avoidance* [Panel talk]. Dealing with Climate Depression (Teach-In), Bard Center for Environmental Policy, Bard College, Annandale-on-Hudson, NY, United States
2. Dainer-Best, J. (2018, May 4–11). *Introduction to R* [Two-day workshop], University of Vermont Medical Center, Burlington, VT, United States
3. Dainer-Best, J. (2017, October). *Thinking about thinking in depression* [Talk], Vermont Center for Children, Youth, and Families, University of Vermont Medical Center, Burlington, VT, United States

Fellowships & Awards

2019	Outstanding Dissertation Award from the Department of Psychology at the University of Texas at Austin
2012–2017	College of Liberal Arts Graduate Fellowship, the University of Texas at Austin
2016–2017	Hixon Graduate Fellowship in Statistics, UT-Austin
2017	Ira Iscoe Fellowship, UT-Austin

Professional Experience

Bard College Senior Projects

Served on 28 senior boards (19: board member; 12: advisor); advisees:

1. S. S. (S19): Helping adolescents with autism: Can music therapy counteract the effects of hyperacusis?
2. L. S. (S19): Body dissatisfaction: Searching for a link between depressive symptoms, body image, and eating patterns
3. W. L. (S20): Friend or foe? Outstanding peer's unexpected impact on test-taking ability
4. B. T. (S20): Adolescent Borderline Personality Disorder: A diagnosis more hopeful than harmful
5. E. C. (S20): Where words fail, music speaks: Investigating the role of psychopathy in predicting the level of emotion and frisson in music listening
6. A. W. (S21): The incorporation of Indigenous tradition in psychedelic-assisted psychotherapy: A pathway to cultural inclusivity within mental health
7. P. K. S. (S21): Solitary confinement: An examination of the use of torture in United States correctional facilities
8. N. D. (S21): Online education and the socioeconomic achievement gap: A solution or a problem?
9. D. C.-A. (S21): Merging the waves: An eclectic approach to practicing Acceptance and Commitment Therapy and Cognitive Behavior Therapy
10. E. G. (S22; advised F21): Who is anointed?: The psychological and social justice implications of Gifted and Talented programs in the United States
11. G. S. C. (S22; advised F21): The effects of code-switching on the social development of bilingual children with autism spectrum disorder
12. K. F. (S22; advised F21): Eww vs. taboo: The effect of physical contamination and moral transgressions on feelings of mental contamination

Mentorship & Advising

- | | |
|--------------|--|
| 2018–Present | Affective Science Lab
Advised research assistants in my Bard College lab (3 F18–S19; 7 F19–S20; 2 BSRI Summer 21) |
| 2018–Present | Bard College Moderation Boards
Served on boards for 38 students entering the Bard upper college, in Psychology and other Programs (2 F18, 11 S19, 2 F19, 14 S20, 3 F20, 9 S21) |
| 2012–2017 | Mood Disorders Laboratory
Mentored 6 undergraduate research assistants |
| 2015–2016 | UT-Austin Honors Program
Mentored 2 undergraduate students completing undergraduate honors theses |
| 2014–2016 | UT-Austin SURE (Summer Undergraduate Research Experience)
Mentored 3 undergraduate students from underrepresented groups in research design and preparation for graduate school in the summers of 2014, 2015, and 2016 |

Teaching Experience

Courses Developed at Bard College

F22; S21	Trauma PSY 217, a deep dive into posttraumatic stress, trauma, and how trauma affects the world around us (website)
F22; S20	Experiment Analysis and Design in Affective Science PSY CL, a two-credit lab course designed to teach students about research in clinical psychology, how to program and create experiments in jsPsych and Qualtrics, and how to analyze data in R
F22; S19; F18	Introduction to Psychological Science PSY 141, an introductory course covering the basics of psychology
Fall 2021	Emotions PSY 218, a survey of theories and research on the psychological study of emotions (website)
F21; S20; S19; F18	Adult Abnormal Psychology PSY 210, a survey course introducing and leading discussions about psychological disorders (website)
S21; S20	The Talking Cure: Podcasts as Exploration of Disordered Experiences PSY 375, an advanced discussion-based seminar based on primary texts: both podcast and peer-reviewed journal articles (website)
F20; F19	Statistics for Psychology PSY 203, a course combining an introduction to statistics with a hands-on programming and analysis lab taught using R (lab website)
Spring 2019	Current Treatments of Psychological Disorders PSY 319, an advanced discussion-based seminar based on empirical research and treatment manuals

Positions at the University of Texas at Austin

2017	Teaching Assistant in the UT-Austin Department of Psychology Abnormal Psychology SMOC : an online undergraduate synchronous massive online course taught by Dr. Kirsten Bradbury
2016	Assistant Instructor in the UT-Austin Department of Psychology Data Analysis with R : a graduate course on statistical programming I developed alongside a graduate course on statistical inference
2014–2016	Teaching Assistant in the UT-Austin Department of Psychology Clinical Practicum I and II : a graduate course taught by Drs. Jasper Smits & Martita Lopez

Professional Service

College Service

F18–Present	Coordinator and maintainer for the Bard Psychology website and handbook
F18–Present	Member of the Bard SMC Committee on Research
F19–F21	Faculty coordinator for the Bard Psychology Colloquium Series

- F19–F20 Faculty fellow of the CFCD (Bard College [Center for Faculty and Curricular Development](#))
- F19–S20 Member of the Faculty & Teaching Accessibility Sub-Committee

Service to the Profession

- 2021–Present Psychological Evaluator with the Capital District Asylum Collaborative

Affiliations

- 2019–Present [Society for the Improvement of Psychological Science](#)
- 2014–Present [Association for Behavioral and Cognitive Therapies](#)
- 2015–Present [Association for Psychological Science](#)
- 2020–Present [out@Bard](#)
- 2019–Present [Attention Reading Group](#), Center for Experimental Humanities
- 2013–2017 [Graduate Diversity Committee](#), UT-Austin Department of Psychology

Ad hoc Reviewing

Collabra: Psychology, Journal of Affective Disorders Reports, Journal of Anxiety Disorders, Cognitive Therapy and Research, Cognition and Emotion, International Journal of Cognitive Therapy, PLOS ONE, Biological Psychiatry: Cognitive Neuroscience and Neuroimaging, Biological Psychiatry: Global Open Science
